MEMORANDUM FOR: Project Director

SUBJECT : Attached Proposal for Utilization of TALENT
Material Outside the System

25X1A

25X1A

1. For your information, there is attached herewith a proposal shortly to be considered by the Utilization Advisory Board which proposes the release of certain types of TALENT information through the [REDACTED]

2. I strongly endorse this kind of imaginative approach to finding ways to get TALENT information to the great number of researchers who are pawing over, in many cases, much less reliable information.

3. The items listed at the rear of the attached memorandum, and which I have encircled in red, happen to be the ones drawn from TALENT material.
